A conspectus of the Columbus theories (see what the recent Italian re-Genoa one says).

Diogo Pires, otherwise Solomon Molcho.

The Myth of King Sebastian.

Biomancy (fairly big article).

Sophistry, or Curious Proofs and Arguments: from the Greek Sophists (v. Funck-Brentano, *Les Sophistes Grecs*) through medieval sophists and schoolmen, to modern sophists, including such theses as *Comme Quoi Napoléon* (See whether some idea can be obtained of Whately's *Historic Doubts*). (This article can be divided into two — one on Sophistry Proper, the other on Curious Proofs and Arguments).

Singularities of Language.

(*História Trágico-Marítima*) (or translate perhaps).

Tobacco/Tobacco in Portugal (special) ???

Freemasonry in Portugal (special) ?

Kings that will Return. (the general myth of which the one of King Sebastian is a particular case).

The Epigram. (or a little book choosing them).
