

Fernando Pessoa

Notes on Metaphysics

Notes on Metaphysics

Zero is identical and the same in all properties, in all attributes, but infinity is different in each. How can this be conciliated with the theory that Zero is equal to infinity?

1906?

Textos Filosóficos . Vol. II. Fernando Pessoa. (Estabelecidos e prefaciados por António de Pina Coelho.) Lisboa: Ática, 1968: 65.
