## FRAGMENT OF DELIRIUM

### FRAGMENT OF DELIRIUM

I know not whether my mind is broken  
Nor do I know if my mind is ill;  
I know not if love is but the last token  
Of God to me, or a word unspoken  
    In a chaos of will.

My thoughts are such as the mad must have  
    And dead things guard my soul  
Grotesque and odd are the shapes that rule  
In my brain as worms in a grave
