

Fernando Pessoa

Sometimes in the middle of life a change

Sometimes in the middle of life a change
Suddenly comes like an alienation
A sense of voidness enormous, strange
And a void, deep desolation.

A sense of being left alone
And more and more than abandoned
(...)
'Tis a sense half as if I were dead.

12-11-1907

Pessoa Inédito. Fernando Pessoa. (Orientação, coordenação e prefácio de Teresa Rita Lopes).
Lisboa: Livros Horizonte, 1993: 75.
